SHREDDER

For finely shredded foods and or grating hard foods such as cheese, crackers or nuts.

STRINGER

Use for preparing julienne strips or stringing a variety of foods like vegetables, fruits, and cheeses.

FRENCH FRY CUTTER

Designed for potatoes and other firm vegetables like carrots, beets, and turnips for fast cooking.

SLICER

Makes quick work of big slicing jobs, for instance, onions, pickles, and radishes.

WAFFLER

Attractive cuts make foods very appealing. Try cucumbers or apples.
