

## About This Product

Traeger invented the original wood-fired grill over 30-years ago in Mt. Angel, Oregon and continues to lead the industry as the worlds #1 selling wood-fired grill, perfected by decades of mastering the craft of wood-fired cooking. Fueled by all-natural hardwood pellets and controlled with a digital controller, means from low and slow to hot and fast grilling, you'll fire up deliciously consistent results every single time. The Pro Series 34's robust body style has a sawhorse chassis for added stability, a side-lift bar and all-terrain wheels.

## Highlights

- Versatile temperature range, from a low and slow "smoke" setting to 450°F, allowing you to smoke, bake and sear just about anything
- 2 tiers of easy to clean porcelain coated steel grates for 884 sq. in. of cooking space
- Convenient hopper clean-out lets you switch pellet flavors quickly
- 18 lbs. pellet hopper capacity
- 120V AC voltage and 250 watts for quick heat-up and consistent temp control
- Bring your electric-powered wood-pellet grill to life by plugging in the included 6 ft. AC power cord to the nearest outlet
- This grill is not equipped WiFi connectivity
- One included Traeger meat probe makes checking internal meat temps simple

## Dimensions:

- Height 49 Inches, Width 53 Inches, Depth 27 Inches
